Mr. Richard Arubie, President
Aeromax Industries, Inc.
9546 Topanga Canyon Blvd.
Chatsworth, CA 91311

Dear Mr. Arubie:

This letter "Statement of Qualification" is presented to Aeromax Industries, Inc. in recognition of your successful adaptation and application of *MIL-I-45208A*, as it relates to Government contracts.

Your qualification to this standard is based upon the results of a DCMC Van Nuys, DCMDW-GVOEW, quality system evaluation. The evaluation included a review of Government Audit data and on site validation of your personnel implementing acceptable quality procedures and practices to *MIL-I-45208A*. Although Aeromax Industries, Inc. is currently qualified, it must be noted that this "Statement of Qualification" shall be withdrawn if your quality assurance system is later found deficient.

This "Statement of Qualification" will be shared with your Government customers for their recognition of your accomplishment.

Congratulations!

R.J. HEIFNER
CAPT, USN
Commander
